Re: Genometrica Research Inc. et al v. Boris Gorbovitski, Vera Gorbovitski
a/k/a Vera Gorfinkel, and Advanced Biomedical Machines, Inc.
USDC:EDNY Case Cv-11-5802 (ADS)(AKT)

Dear Judge Tomlinson:

This letter will serve as a request for an extension of time to comply with Discovery for three weeks beyond August 28th. In accordance with Your Honor's Rule 1D, this is the first request beyond August 28th. Adversary counsel will simultaneously receive a fax transmission of this request. There is more than 48 hours notice.

May I respectfully inform the Court of the reason for this extension is a death in the family, the sudden passing of my second son Theodore P. Morrison at age 42 on July 9th. This has impacted on all scheduling in my law practice beginning in the month of July, 2012 and continuing to the present time.

During July, there were funeral arrangements plus a memorial service at the Lincoln Square Synagogue on July 22nd presided over by Rabbi Robinson. Many people are involved who must all be comforted continuing into the month of August.

I had originally planned to utilize July to complete the Discovery responses but sudden family obligations interceded which still continue.

Under these trying circumstances, on notice to plaintiff's counsel, I anticipate that the Discovery will be completed within three weeks of August 28th.

Respectfully submitted,

Arthur Morrison (AM5678)
